Education

- XSMALL: to be used with an 8 cm (3.1") pot
- SMALL: to use with a 10 (3.9") cm pot
- MEDIUM: to use with a 12 cm (4.7") pot
- LARGE: for a 14 cm (5.5") pot

**PRINTING.** Should be an easy print. Print with your favorite filament, any infill, any resolution. I have printed a few in Rainbow Silk PLA. Looks awesome!

- Use some cheap epoxy resin to make your prints 100% waterproof (apply a thin coat to the inside using a brush).

Enjoy!

Hope you like it, and if you like it, PLEASE like it!

Should be an easy print. Print with any filament, any infill, any resolution.
